**** New Repeater on-air

Livermore ME at Tim WT1A's residence.

146.895MHz - 103.5Hz(input AND output)

Like the Lewiston 146.610MHz-88.5Hz and Poland 147.315MHz+103.5Hz this is
a Yeasu Fusion C4FM Digital/Analog Repeater.

check for channel activity in other modes before transmitting ;)

Buckfield 224.620-103.5/Norway 147.120+136.5 Repeaters

W1IF and W1OCA Repeater are back on air and are now linked
A New Rumford 146.910-100Hz Repeater and Link Radios is on the "Bench",
stay "tuned" for more;)
REMEMBER to key up and pause to allow other repeatet to "spin up".
